

Josee
Madison

A/V Requirements

LUCKY^{ON}
PURPOSE

Josee's presentations are high-energy, heart-centered, and interactive. She connects best when she can move freely, see her audience, and create an engaging experience for everyone in the room.

SOUND

- A lapel microphone or Countryman headset is ideal.
- A handheld mic is perfectly fine if needed.

MICROPHONE

- If available, please provide a roaming microphone for audience participation.

PRESENTATION

- Josee typically does not use slides, but she can provide them upon request.
- She travels with her laptop, universal dongle adapter, and USB drive if tech setup requires connection.
- A water bottle on stage is always appreciated.

HANDOUTS

- Occasional handouts may be used.
- Attendees are encouraged to bring a pen and notebook for takeaways.
